the anatomy of intercession will look at the lives of great intercessors from abraham and
moses to john praying hyde rees howells and john g lake to glean from their lives and
teachings insights and principles about the importance and impact of intercessory prayer
from a practical perspective

harness the power of prayer the front lines of the clash between the kingdoms of darkness
and light do not usually happen in our churches they happen in our lives in our workplaces
neighborhoods where our children go to school in our voting booths and in the halls of
influence our churches should be places of equipping and coordinating but then we have to
take this fight to the streets through daily prayer when kingdoms clash takes you from the
planning stages and strategies of prayer into the heat of the battle showing you how to stand
strong when things get intense using historical illustrations and teaching from scripture cindy
trimm provides the tools you need to understand the power of prayer as never before battles
are raging and the stakes are high only through prayer will god s kingdom prevail

please note this is a companion version not the original book sample book insights 1 the
power of the spoken word is beyond our understanding it is a spiritual mystery that has been
hidden from us but now it is being revealed so that god s people can be equipped for an
unprecedented era of influence 2 the universe begins with words and thoughts everything in
the universe revolves around these two elements your thoughts intentions and aspirations
whether they be secretly pondered in your heart or openly declared as desires mold and
shape your personal universe into something that is either grand and beautiful or base and

hideous 3 what you say matters greatly your thoughts provide the fuel for your words and your words provide the fuel for your world it is important that you understand the meaning of what you are saying 4 the law of cause and effect also works with the law of attraction it states that like attracts like and your thoughts and words are transmitted like a shortwave radio signal they send messages out on a specific frequency and are transmitted back to you manifested as an experience or occurrence in your life

there is a conversation that has been going on long before this universe was created a conversation taking place in the spiritual realm in the garden of eden adam and eve were part of it throughout the history of humanity others have joined it and there is something buried in each of our hearts that tells us we were created to be part of it as well we long for it we yearn to be in on it but despite giving our lives to christ and being born again in the spirit we don't always know how to plug into it so we stay in earth's chat rooms rather than praying from heaven's throne room even jesus disciples did not ask him how to preach but how to pray the prayer warrior's way is a practical guide for praying enabling you to become versed in the basics necessary for talking to and hearing from god for yourself following the revolutionary prayer model jesus gave to his disciples cindy trimm gives you the keys to joining the most important conversation in the universe

righteous indignation christian philosophical and theological perspectives on anger explores the philosophy of christian anger what anger is what it means for god to be angry and when anger is morally appropriate the book explores specific biblical questions such as how god communicates his anger in the old testament and whether anger at one's enemies in the imprecatory psalms is praiseworthy in addition some chapters focus on the practical application of anger to topics such as racial justice criminal law and civil discourse and on the ideas of historical figures such as thomas aquinas and jonathan edwards the purpose of the book is to provide multiple perspectives examining anger from different angles but most of all it is hoped that readers will come away with a better understanding of god's nature and how followers of jesus ought to relate to those who wrong them
